The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine hastily what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to benefit honest, but unfortunate, debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of all their debts and liabilities, of every kind and description whatever, and also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders" of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U. S. Commissioner, must accompany the petition, and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subscribing, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property or him acquired subsequent to filing a petition in Bankruptcy. "In other words, the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over." On this point decisions have been variant. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10 As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz.: Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864. A safe Counselor suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him, free from the operation of the Act, exceeding $700, besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11 It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 46 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application, an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors.

13 Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time in making applications in Bankruptcy. Some have supposed that no debt or will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay, in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

The above is a fair specimen of the kind of ballot to be cast at the approaching election by the Conservatives.

THE MASS MEETING AT GOLDSBORO',—We regret exceedingly that the large crowd, which was assembled at Goldsboro', in mass meeting, on Tuesday last, should have been disappointed by the non-attendance of invited and expected Speakers. We assure our friends below, that the Executive Committee did everything in their power to provide against such a contingency. It was only a day or two before that appointed for the meetings in Goldsboro' and Raleigh, that the Committee had positive information that it would be out of the power of the Northern gentlemen, who had been invited, to attend; and this fact, coupled with the previous acceptance, by most of our distinguished native Speakers, of invitations elsewhere, led to the calling-in of the appointment for this place. Had it been possible for the Committee to have guarded against any disappointment at Goldsboro', it would certainly have been done. We trust that this explanation will be satisfactory to our Eastern brethren.

Notwithstanding the failure to be present of so many speakers who were expected, however, we are gratified to learn that the meeting was so acceptably and ably entertained by the gentlemen who addressed it on the occasion, and that the finest and most enthusiastic spirit prevailed. There are no truer Conservatives on earth than those of the section of the State, of which we are speaking. They will do their whole duty.

GEN. CANBY'S ORDERS.—The order from Gen. Canby, which we publish, in another column, impresses us as quite a proper one. It will be observed that while he speaks, in general terms, of information as to combinations for the intimidation of voters, he refers specifically to reported combinations among negroes. That Gen. Canby has not been misinformed, the case of Thomas Green, of Hillsboro, which we referred to, on yesterday, bears ample testimony. But these deluded and misguided negroes are, in a majority of cases, led astray by mean and depraved white men. We repeat, what we have heretofore said, *that the only instances of menace or attempted intimidation that we have heard of come from Radicals.* The Convention scalawags were setting a trap for themselves, when they passed their shameful and contemptible ordinance.

D. P. CALDWELL, Esq.—This gentleman is making an able and effective canvass of his District. He spoke to a large crowd in Winston, on Tuesday last. He went thence to Surry. He speaks at Madison, Rockingham, on the 16th.

WHICH IS BETTER, the *old Constitution* of our fathers, under which we have lived and prospered, or the *new Constitution*, which obliterates all the ancient and honored landmarks, and provides for a TAXATION, which will crush the people to powder, and which is designed to have the effect of transferring the property of our people into the hands of NORTHERN SPECULATORS?

KEEP THE BALL MOVING!

Our enemies are downcast and dispirited. They see the hand-writing upon the wall, and their knees smite together. With a fair ballot, the white men of North Carolina will vote down overwhelmingly this infamous *negro* Constitution, which is sought to be forced upon them, and will fix the mark of indignant reprobation upon those who are the guilty agents of the nefarious attempt.

There is one prospect, however, upon which, in their desperation, they base large calculations. They see and recognize the fact that the people,—THE WHITE PEOPLE—of North Carolina are awakened, as they have rarely, in our history, ever been before. They feel and appreciate that their vile attempts to degrade and humiliate the white people of the State, beneath the heel of the negro, for their own selfish and mercenary purposes, have aroused the lion of popular indignation. They know that their avowed purpose to persecute and oppress the people, for that for which *they* are primarily and chiefly responsible, has justly and universally incensed them. They see that the terrible taxation which has been devised in the interests of Wall Street is making the people think and shudder.—But their hope and calculation is, that all this feeling is but the fervor of the moment,—a fleeting and evanescent enthusiasm, which will pass off before the election and that the present excitement is too strong to last.

Never was there a greater mistake, and we tell these men so. Popular enthusiasm about men is ephemeral and short lived. It is a bubble which soon bursts and disappears. But when a great vital issue is at stake, involving the honor of the Anglo-Saxon race and the very life of Anglo-Saxon liberty, it will not be so. The great popular flood will know no ebb, until these things are secured.

Our friends need no appeal to duty. It they did, we would adjure them, by *every* consideration that is high and sacred, to abate not, by one jot or tittle, their present glorious energy. Let them *work*,—actively, zealously, unceasingly,—from this hour until the last moment of the last day of the election!—Do this, friends, and even if you should fail,—which we cannot believe possible,—your manhood will be vindicated and your pride and integrity of character maintained!

PHOTOGRAPH NO. 5—(BY MACAULEY.)

(Similia non idem)

"It was from mere pusillanimity that Barere had perpetrated his first great crimes. But the whole history of our race proves that the taste for the misery of others is a taste which minds not naturally ferocious may too easily acquire, and which, when once acquired, is as strong as any of the propensities with which we are born. A very few months had sufficed to bring this man into a state of mind, in which images of despair, wailing and death, had an exhilirating effect on him, and inspired him, as wine and love inspire men of free and joyous natures. These things were to him, what Lalage and a cask of Falernian were to Horace; what Rosette and a bottle of iced champagne are to Beranger. As soon as he began to speak of slaughter, his heart seemed to be enlarged and his fancy to became unusually fertile of conceits and gas conades. Robespierre, St. Just, and Billaud, whose barbarity was the effect of earnest and gloomy hatred, were, in his view, men who made a toil of pleasure. Cruelty was no such melancholy business, to be gone about with an austere brow and a whining tone. It was a recreation fitly accompanied by singing and laughing. In truth, Robespierre and Barere might well be compared to the two renowned hangmen of Louis XI. They were alike insensible of pity, alike bent on havoc. But while they murdered, one of them frowned and canted, the other grinned and joked. For our own part, we prefer *Jean qui pleure*, to *Jean qui rit*.

Barere fell and was banished,—but he became one of the corps d'espionage for Bonaparte, and was shrewdly suspected of being a *double* spy. In truth, Barere's baseness was unfathomable. In the lowest deeps of shame, he found out lower deeps. It is bad to be a sycophant; it is bad to be a spy. But even among sycophants and spies there are degrees of meanness. The vilest sycophant is he who privily slanders his master, on whom he fawns; the vilest spy is he who serves foreigners against the government of his native land.

When the Bourbons returned, he, as might be expected, became a Royalist. He who had voted for the death of Louis; he who had moved the decree for the trial of Marie Antoinette; he whose hatred of monarchy led him to make war even on the sepulchres of ancient monarchs, assures us, with great complacency, that, in a pamphlet published by him, monarchical principles and attachment to the House of Bourbon are nobly expressed. By this apostacy he got nothing, not even any additional infamy; for his character was already too black to be blackened."

WHY THE CONNECTICUT LEGISLATURE IS RADICAL.—By the Constitution of Connecticut, which was adopted in 1818, each town then existing was allowed *two* representatives in the lower House of the Legislature, and each town to be thereafter incorporated was to have *one* representative. Since that, New Haven, Hartford, Middletown, and other towns, have largely increased in population. New Haven has now 50,000 inhabitants, and Hartford has upwards of 40,000. Yet these and other large towns have been allowed no additional representation. Such towns as Union, Saybrook, Washington, Woodbury, Woodstock, and a long list of other towns, while they have not increased at all, still retain their full representation. Thus 150 votes in the town of Union have a representation equal to 9,000 voters in New Haven!—*National Intelligencer.*

OUR CANDIDATE FOR CONGRESS.

We are really glad to learn that Capt. S. T. Williams, the White Man's candidate for Congressional honors in this District, is making such a fine reputation wherever he appears. He has already spoken at several points and with fine effect. From a private letter written by a gentleman to a friend of ours, we are informed of the thorough lambasting he has administered to the nasal-twanger from Ohio, the illiterate Deweese. The prospect, at present, is that the Ohio ignoramus will be beaten, and that our State will be saved the humiliation of sending such a political Jeremy Diddler to Washington. So mote it be.—*Warrenton Indicator.*

THE RADICALS IN THIS STATE QUAKING.

The *Standard*, of this city, we learn, suppressed the telegram received by the Associated Press, from Washington, on Thursday night. That telegram was as follows:

"The Congressional Executive Committee have declined taking steps to induce Holden to withdraw from the North Carolina Gubernatorial race. The alleged cause of non-action is the absence of many members."

We are not in the secrets of the Radicals. We know nothing of the movement in Washington alluded to in the above telegram, but it indicates, most clearly, a conviction, on the part of the Radicals, *that, with Holden in the field, the party and the Constitution are* BEATEN IN NORTH CAROLINA, *beyond redemption.*

It is too late to remedy the matter.—Even if they could rule Holden off the track, it would be of no avail. *The white men of North Carolina* are aroused. The decree has gone forth, that the white men of North Carolina shall rule the State. The new Constitution has been weighed in the balances AND FOUND WANTING.

Offensive as Holden is to the people of the State, we believe that the new Constitution, if properly weighed by the white men of all parties, must be equally so. No white man, who examines it with proper care, can vote for it, who is not a Radical. The Constitution is ten fold more objectionable than the Reconstruction acts require. Congress required only negro suffrage and the adoption of the Howard amendment—all bad enough in all conscience, but the new Constitution makes the negro the equal, IN ALL RESPECTS, with the white man—puts him in the jury box and into every office in the State, along with the white man, without any restrictive qualification or condition, which secures capacity or honesty in the jury box or in office. It will PROHIBIT the General Assembly from enrolling whites and blacks in separate Companies. It will PROHIBIT the General Assembly from establishing separate schools for blacks and whites. It provides for electing the Judges by the people, making it a political office. Finally, it more than quadruples the expenses of the State and county governments.

When the Northern States stoutly and persistently refuse to grant universal negro suffrage and to admit negro equality in those States, will the white voters of North Carolina degrade themselves, and their children, by voting for a Constitution, which forces negro equality upon us, in this State, even at the bidding of Congress? Congress has not yet, by law, forced negro equality upon us, whatever it may have designed, *but the new Constitution* DOES! Will the white men of the State, by their own votes, consent to negro equality? Never! Never!

THE COTTON CROP.

The fluctuating prices of cotton, for the past year, have had a damaging effect upon the production of that article. The enterprise and energy displayed in its production, last year, were never excelled. Many staked their all and their credit upon it, and the persistent predictions of the abundance of the crop, made by those who had control of the market, prostrated prices to such an extent in the beginning, as to ruin thousands who had embarked in the culture. We urged, repeatedly and warmly, upon our people, last spring, to moderate their calculations, to employ fewer hands and to make less investment in fertilizers, and to divide the crop between cotton and grain,—but all to no purpose. Every one plunged into it, at a hazard, and ruin was the consequence, as we predicted.

Now that the crop of 1867 has nearly all gone to market, such prices are prevailing as would have almost made our people independent, if the entire crop could have realized those prices. The effect of the present high prices will be to make every one, who can do so, strain every nerve to produce a large crop the present year. The poverty of the people, the scarcity of provisions, and the lateness of the season, will prevent a large planting, yet we must renew our counsel to the people, to divide their crops, as far as possible, the present season. Let every one be sure to produce corn and pork, as far as possible, but all should labor to cultivate some cotton, even if they have to do it without the aid of fertilizers. Judicious and successful cropping, the present year, will somewhat relieve our people of the pressing burdens upon them.

THE MASS MEETING IN SALISBURY.

The *Old North State* gives a glowing account of the grand Conservative rally in Salisbury, on Wednesday. It says:

"It was an old time gathering. And on the platform were seen a number of honored and highly respected gentlemen, Gov. Graham the most notable of them all. There were five ministers of the Gospel, representing nearly as many Evangelical denominations, besides some of our most aged and venerated citizens. National flags displayed above them constituted the decoration for the occasion. Gov. Graham was introduced and proceeded to address the people. Of course we shall not attempt to describe his address. It is sufficient to say he most ably handled the Constitution now before the people for ratification or rejection, proving to a demonstration, that they should unhesitatingly *reject it.* He was listened to throughout with profound attention, and we have no doubt many honest minds were relieved of doubts on this most important subject.

Mr. Graham concluded his speech about 2 o'clock, and was followed in a short address, by our candidate for the State Senate, Mr. W. M. Robbins.

Besides reviewing portions of the Constitution not touched upon by Mr. Graham, Mr. Robbins told of what he had seen, heard and *felt*, since he had been out canvassing the county. He related some very *rich* incidents—how he found one of the radical candidates reading Rodman's address, *believing it to be the new Constitution*; and how he surprised the poor fellow when he showed him his mistake.

But neither will we attempt to report Maj. Robbins' speech: it was strong, convincing, rich and racy.

And thus the day passed, a decided success in attendance, speeches, attention, spirit and demonstration of opposition to the new Constitution. Roll on the ball."

MISCEGENATION!

Intermarriage of Negroes and Whites Sanctioned by Gen. Canby!!

THE LEGITIMATE RESULTS OF RADICAL TEACHING!!!

The following article, which we take from the Greensboro' *Patriot*, needs no comment to point its horrible moral. We have foreseen, from the beginning, that miscegenation would follow Radical teaching and legislation, as surely as that night follows day. And here we have the first fruits!

It will be observed that Gen. Canby acts under his construction of the Civil Rights Bill. He has no right to question its constitutionality, as a military man. If the Supreme Court could be brought up to the nerve of a decision, it would be compelled to pronounce it unconstitutional, as an interference with the reserved rights of the States. And Radicals in Congress would now deny that the Civil Rights Bill allowed miscegenation. But let that go. The infamous Constitution proposed for North Carolina, by the Radical Convention, is based upon Gen. Canby's construction of the Civil Rights Bill, and licenses miscegenation.—The Convention itself legalized these intermarriages, *by express enactment.* They refused to incorporate, in their iniquitous Constitution, a PROHIBITION of such intermarriages in the future. Here are the unnatural results. Read, ye *real* white men and women of North Carolina!

The Clerk of the County Court informs us, that some time last fall application was made by a colored man for a license to marry a white woman. The man was told that such proceeding would be contrary to the law of the State; whereupon he went to the Superintendent of the Freedmen's Bureau, who called upon the Clerk, and was told that such license could not be granted without a military order to that effect. The Superintendent here then wrote to the State Superintendent at Raleigh, stating the case, and that there were three such cases before him, and asking that a "special order" might be granted in a specified case, (where the woman already had children by the man,) if a "general order" could not be given for all. He wrote a second time before receiving an answer, which had been delayed on account of waiting a return from Headquarters at Charleston. The following was finally received as Gen. Canby's response:

HEADQR'S 2ND. MILITARY DISTRICT,
CHARLESTON, S. C., Nov. 10, 1867.

Brevet Maj. Gen. N. A. Miles, U. S. A., Assistant Commissioner Bureau U. S., F. & A. L., Raleigh, N. C.:

SIR:—Referring to communication of Capt. Hilderbrandt, representing that cases arise where freedmen marry whites, and the Clerk of the Court refuses to issue licenses,—forwarded by you on the 23rd. ult., is received.

I am directed by the Commanding General to state in reply,—that the laws of the United States invest all classes of citizens with equal rights, and that whenever those rights are denied, the same laws furnish ample remedy. The Commanding General does not deem it necessary to order civil officers to obey the laws of the United States in such cases.

You will please inform Captain Hilderbrandt of this determination.

I am sir, very respectfully,
Your obedient servant,
L. V. CAZIARE,
A. D. C., A. A. A. G.

The Clerk, still reluctant to perform so disagreeable a duty, requested a copy of General Canby's letter and a little time to consult his legal friends, Capt. Hilderbrandt politely complied, and furnished him a copy of the correspondence.

At the request of the Clerk, six gentlemen of the legal profession in Greensboro, met and considered the case. It is unnecessary to state what was said about the constitutionality or unconstitutionality of the laws of the United States, (Civil Rights Bill,) referred to by Gen. Canby. They were unanimous in the opinion that the Federal law is paramount, until it shall be repealed or pronounced unconstitutional by the Supreme Court of the United States,—consequently, that *the Clerk had no option, but to be governed in his official conduct by this paramount law, and the interpretation given by the Military Commander.*

Such is a plain, dispassionate statement of this matter. Three or four instances have since occurred of marriages between negroes and whites in this county. Of the character of *such* whites we have nothing to say. The consequences to flow from this *Radical* change in our social laws, we leave to the imagination of our readers. The subject is loathsome—we will let it rest for the present.

The popular verdict of Connecticut, it may be fairly claimed, is against the impeachment and removal of President Johnson. The radicals made their fight to a great extent upon this question. But the paramount, underlying issue upon which they were defeated is, after all, the issue of universal negro suffrage. This proposition they adroitly attempted to cover up; but it was skilfully kept in the foreground by the democrats, and this has turned the scale in Connecticut. We want no better proofs of the fact than are furnished in the Connecticut republican platform, taken together with the results on negro suffrage last fall in Ohio and New York, and with the result on that distinct proposition in the shape of a constitutional amendment in Michigan on the same day with this Connecticut election. The republicans, even so late as last fall, held Michigan by some twenty nine thousand majority; but on Monday last this proposition of universal negro suffrage, although there are some twelve hundred negroes in the State to be affected by the result, was voted down in Michigan by a decisive majority. Negro suffrage, then, has swamped the republican State ticket in Connecticut. The popular antipathy to universal negro suffrage has proved stronger in Connecticut than the popularity of Gen Grant.

We may safely assume, then, from all these experimental elections, last year and this year, that from Connecticut westward to the Pacific Ocean the majority of the people in every State are opposed to this radical shibboleth of universal negro suffrage.—*N. Y. Herald.*

THE HON. JOHN BELL.—We copy the following paragraph from the Shelbyville (Tenn.) *Union*:

"This once able statesman is still alive and lives over on the Cumberland now. He is now upwards of seventy six years of age, and compared with his former self is but a wreck. His health is by no means good, and he but awaits the dread summons which must take him from earth to eternity."

WHICH IS BETTER, a Government administered by intelligent and virtuous native WHITE MEN, or a Government administered by needy squatters, ignorant Africans and impudent allies of mixed blood?

THE HENDERSON *Index* learns that Cuffee Mayo, the nigger Radical candidate for the Legislature in Granville, stole a pistol, from the store of Hunt & Bro., at Oxford, one day last week. He was detected and the weapon taken from him. This is the effect of the bad company Cuffee kept in the Convention (so-called.)

LOOK TO YOUR TICKETS!

We cannot too earnestly caution our friends, throughout the State, to be on their guard with respect to their tickets. Every device and fraud will be resorted to, to impose upon the unsuspecting and the illiterate.—This is an important warning. Again we say, scrutinize your tickets. Vote for no man, for any office, however insignificant, who is in favor of the infamous Constitution.

"PITY THE SORROWS," &c.—The X. P. G. furnishes the most signal and ludicrous case on record of deep down abasement, with utter failure to accomplish the purpose of his prostration. At the very time that he is making himself sick in the effort to deify the nigger, the nigger-worshippers in Congress are discussing the practicability of withdrawing him from the canvass! San Salvador was nothing to *this!* *He* looking for a removal of his disabilities,—and the Republican Congressional Executive Committee talking about "removing" *him!*—Oh! dear! dear! what is the world coming to?

THE CANVASS IN WAKE.—We hear the most cheering accounts from our County candidates. The white men of the County are fully aroused, and determined to vote.

Our candidates, one and all, are discharging their duties admirably. We hear the efforts, on the stump, of Messrs. Bledsoe, Badger, Busbee, Clawson, and others, spoken of in high terms. Would it not be well for them to speak in Raleigh, if possible, before the election?

OLD ROWAN FOREVER!—TRUE GRIT!—The white men of Rowan are roused and rousing. They mean to put forth all their strength to defeat the infamous Constitution, and to this end we have heard (says the *Old North State,*) that at one precinct they have laid off to go to the polls on the 21st., with three days rations and otherwise duly equipped, and camp on the ground for a three days' service.

J. P. VEST is the Radical candidate for the "House of Representatives" (so-called) in Forsythe. He seems to be *another* "specimen brick." The Winston *Sentinel* says that, before the war, he had a negro hired, and, being short of funds, he sold the negro and had to leave the State to keep from being indicted for *stealing a negro!*

A SERIES of meetings are being held in the Baptist Church, in this City, with manifestations of deep interest. Rev. H. Hatcher, of Portsmouth, Va., is assisting the Pastor, the Rev. T. H. Pritchard.

THOS. J. WILSON, Esq., is the Conservative nominee for the Solicitorship in the Eighth Judicial District. It is a capital nomination.

CAPT. WILLIAMS, our candidate for Congress, addressed the people at Warrenton, on Wednesday night. He made a fine impression. W. A. Montgomery, and E. Plummer, Esq., also addressed the meeting.

TOURGEE wrote to the X. P. G. that it was necessary to do some work in Guilford. He says: "Our ticket here is a *very weak one,* and the "reds" are doing their biggest!"

TOURGEE (candidate for JUDGE—Heaven save the mark!) made a speech in Guilford, the other day, which was so vulgar as to disgust the negroes.

COL. JAS. T. MOREHEAD addressed the people of Forsythe, in a most telling speech, on Wednesday.

WE HAVE most encouraging tidings from Chatham. Maj. York is *picking* "chicken" Gunter, and the rest of the *fowl* birds, clean!

TICKETS.—Our friends in this county, and in Alamance, Johnston and Chatham, have been furnished with a full supply of tickts.

SPIRITED and enthusiastic meeting in Beaufort, on Monday last. A Young Men's Conservative Club was formed.

REGISTRATION in Newbern, for three days: Whites 194, negroes 189.

NEGRO RULE.—The following is a picture drawn by a Northern Radical newspaper of the negro rule in St. Domingo, after they have had *fifty years* of experience as rulers of about the fairest spot on earth:

"The latest news from San Domingo is that the country is in anarchy, and the prisons are full. Of course there must be some sort of governing force in existence to keep the prisons full; but this is probably about the full extent of its power. It is painful to see such a rich and charming part of the world given up to ruin and savagery. It is grievous to see the control of such a country in the hands of such a people. But we see no help for it. And we may rest satisfied that if there be any lower depths of human degradation than that which they have reached, it will not require them many years to sink to it. If the population would resort to cannibalism, and devour each other out of existence, it would probably be the best thing that could happen."

THE CONNECTICUT AND MICHIGAN ELECTIONS.—The re-election of Governor English in Connecticut, and the repudiation of the Congressional policy, in the defeat of the negro suffrage constitution in Michigan, have occupied the attention of the public mind here to-day, to the exclusion of impeachment, legislation, and in fact almost everything else. The Republicans are very much depressed over the result. With the amount of money contributed for Connecticut and the name of Grant, they expected to carry the State by at least a thousand majority, but in Michigan the result is regarded as far worse than in Connecticut.—Messrs. Howard and Chandler have been boasting that their State would lead off in the work of negro suffrage, and rebuke the popular vote of Ohio last fall on the same issue. They have grossly deceived their Radical associates. The dispatches from Michigan to-day continue to represent an increased majority against the constitution. —*Wash. Cor. N. Y. World.*

The *white* party has just triumphed in Connecticut and Michigan. God grant that it may also triumph in North Carolina.—*Pet. Index.*

THE GREAT and paramount issue is: SHALL NEGROES or WHITE MEN RULE NORTH CAROLINA? All other issues are secondary and subordinate, and should be kept so.

REGISTRATION IN ALAMANCE—THE CANVASS.

GRAHAM, N. C. April 9th. 1868.

Editors Sentinel:—The registration, thus far, by the Southern board of this County, is 125 whites and 38 blacks. By the time the registration is completed, the white majority in this County will be increased from 500 to 700.

The canvass is progressing rapidly. Ray, the Convention man, is out for the House of Representatives. Dr. Moore is knocking the moss off of his back every day. We have an excellent Conservative ticket. I sent you their names for tickets. *They will be elected.* Pool is to be here on the 14th. D. F. Caldwell will be here to reply.

Alamance will redeem herself from the infamy of the last election.

Our nominating Convention here, on the 28th. of March, was the largest political meeting that has assembled in the County, since or before the Bell & Everett barbecue in 1860.

Very Respectfully,

B.

ORDER FROM GENERAL CANBY.

HEDQ'RS 2ND. MILITARY DISTRICT, CHARLESTON, S. C., April 6, 1868

GENERAL ORDERS No. 61.

The Commanding General has received information from different sections of the States of North Carolina and South Carolina, and from members of both political parties, that combinations have been formed, or are now being formed, to prevent, delay or hinder the execution of the laws of the United States or by force, intimidation or threat to prevent persons from accepting or executing the duties of any office or employment under the United States, at the elections to be held under the authority of the law of March 2 1867, "to provide for the more efficient government of the rebel States," and the laws that are supplementary thereto. While he is satisfied that these complaints apply to a few persons only of both parties, it is proper that all such persons should be warned that any attempt by force to prevent, hinder or delay the execution of the laws of the United States, under the authority of which the said election is ordered, or by force, intimidation or threat to prevent any person from accepting or holding any office, or trust, or place of confidence under the United States, as Registrar, Superintendent, Judge, Manager, Inspector or Clerk, or other employment at said election, will be amenable, not only to the penalties prescribed under the authority of the said laws, but for violation of the Act of Congress "to define and punish certain conspiracies," approved July 31, 1861. (Statutes at Large, Volume 12, Chapter XXXIII.)

It is the duty of the civil and military authorities in both States to secure to every registered voter the full and free exercise of his right of suffrage, and this duty must be fully, faithfully and impartially performed, and the Commanding General confidently expects that the people of these States will unite in securing for each other the full and proper exercise of this franchise. But if in any District or County, or polling subdivision of either State, the election should be prevented, or the ballot-boxes or poll-lists should be destroyed, or the electors duly registered under the laws of the United States should be prevented by force or intimidation from voting, a new election will be ordered for such District, county or polling subdivision.

To the end that the laws of the United States may be duly executed; that the officers charged with conducting the elections may be protected in the discharge of their duties, and that the qualified electors may be protected in the exercise of the elective franchise, Commanders of Posts are authorized, whenever in their judgment it may be necessary, to appoint, from the officers of the army or the Freedmen's Bureau, under their command, Military Commissioners for Districts or counties within the territorial limits of their commands that are so remote from their headquarters that the powers conferred upon Post Commanders cannot be immediately or directly exercised.

The Military Commissioners so appointed are invested with all the powers of the Justices of the Peace of Districts or Counties, or the police magistrates of cities, and will be governed in the execution of their duties by the laws of the State in which they may be serving, except so far as these laws may be in conflict with the laws of the United States or with the orders issued from the Headquarters of this District; and, in addition to any troops that may be placed at their disposal, are given the command of the police force of Districts, Counties, cities and towns; and all police officers, sheriffs, constables, and other peace officers, are required to obey and execute the orders of the Military Commissioners in all such cases.

The Military Commissioners will promptly report all cases in which they assume jurisdiction, and the disposition made in each case. When parties are held for trial, either in confinement or under bail, the case will be so fully reported as to enable the Commanding General to decide whether it shall be tried by a military tribunal or be brought before a civil court.

The jurisdiction herein given to the Military Commissioners will be determined and limited by the authority heretofore delegated to Post Commanders by General Orders No. 32, of May 30, 1867, and General Orders No. 145, of December 6, 1867, and will not be considered as extending to the inhabitants in their ordinary personal relations, unless the civil authorities should refuse or fail to suppress insurrection, disorder and violence, and to give all rightful protection to persons and property; and all persons, whether in authority or not, are required to obey and execute all lawful orders of the Military Commissioners to the same extent and in the same manner that they are required by law to obey and execute the writs of the civil magistrates.

Some of the complaints that have reached the Commanding General apply to colored voters of the two States, and to sections where they have the numerical ascendancy. To them it is proper to say that the elective franchise conferred upon them by law, carries with it no authority to restrict others in the free exercise of that right; and that while it is their duty not to regard threats or intimidations as to themselves, any combinations to prevent by force, intimidation or threats the same free exercise of this right by others will be unlawful, and will subject the offenders to the penalties prescribed by law and by military orders.—They are counselled to exercise the right of voting in a quiet and orderly manner, giving offence to no one; and after casting their votes, not to linger about the polling places, but to return quietly to their homes and to their customary avocations.

Commanding Officers will give as wide a circulation as possible to this order within the limits of their commands.

By command of Brevet Major General ED. R. S. CANBY.

LOUIS V. CAZIARC,
Aide de Camp,
Actg. Asst. Adjt. Gen'l.

SHALL WHITE MEN BE ENROLLED in the MILITIA with NEGROES,—*perhaps under negro officers?* That is one of the issues.

REGISTRATION SCENE AT MORRISVILLE.

SCENE FIRST.

SECOND BOARD OF REGISTRATION IN SESSION REVISING THE REGISTRATION LISTS.

Enter American Citizen of African Descent, named Dock.

White Registrar.—Well, do you want to Register, Dock?

Dock.—Yes sar, I'se come for dat.

White Registrar. (*Candidate for office.*)—Well, Dock, touch this pen and take off your hat. (Dock does as directed.)

Candidate for office then proceeds to administer the oath, which ceremony being performed, the following conversation ensued:

White Registrar.—Dock, do you know what you have just sworn to do?

Dock.—Yes, sar, I'se sworn to vote the Consekution, and the men what's in it.

White Registrar.—What men—what do you mean?

Dock.—Why, mistur, I means Capt. Lee and the others, I don't know who they is.

White Registrar.—Do you mean to say that you go from here, under the impression that you have sworn to vote for the Constitution, for Capt. Lee and the other candidates of that party, and that you are *bound* to do so, by the oath you have just taken?

Dock.—Yes, sar.

White Registrar.—Well, if that is the case, allow me to say, that you are *not* bound to vote for Capt. Lee, or any other man, or party, but that you have merely taken an oath to support the Constitution of the United States, and you are free to go and vote for whom you please.

White Registrar and Candidate for office thereupon interrupted the conversation, and objected to the nigger being further informed upon the subject of franchise and his duties as a citizen, which led to an argument between the one Registrar and *Candidate,* and the other Registrar, who had no interest in the vote, and who, by the bye, is an honorably discharged officer of the Federal army. Please insert and oblige,

Yours truly,

CONSERVATIVE.

NORTH CAROLINA.

An election is to be held on the 21st, 22d, and 23d April in the State of North Carolina, to pass upon the Constitution which has recently been framed by the Radical Convention in that State. This Constitution, which we shall endeavor hereafter to discuss in detail, is based upon the infamous doctrine of an equality between the two races, both social and political; and we do not wonder at the statement of the New York *World* correspondent, that the Convention which framed this instrument ended their performances by singing pæans to John Brown—a midnight murderer, assassin, and insurrectionist—and indulged in orgies of dancing, shouting, and tumult exceeding all description.

This Constitution, with which it is proposed to shackle the State, is being stoutly resisted by the white population, and we are glad to hear that they are making a canvass worthy of their race and blood, to prevent its ratification. They deserve to succeed, and dspite the treachery of such ignoble recreants as Holden, we believe they will triumph, unless the returns shall be manipulated and the result changed by the officers of the election. Letters from prominent North Carolinians now before us express great confidence in the result, unless defeated by such frauds. We share their uneasiness on this last point; but we entreat them, nevertheless, to spare no effort and relax no energy to prevent the adoption of this African Constitution. They may fairly count in their struggle upon the sympathies of a large majority of the North, and especially in the West and great Central States of the Union.

In order to give our readers some idea of the principles upon which this contest is being conducted by the white population of North Carolina, we subjoin the following extracts from the admirable address of Hon. Wm. A. Graham, at the recent Conservative Convention held in that State.—Mr. Graham is well known as one of the most distinguished statesmen of North Carolina; he was an associate with Webster, Corwin, and Crittenden in the Cabinet of Mr. Fillmore; and both there and in his previous service in the United States Senate was noted for his moderate and conservative views. His utterances deserve especial attention as reflecting the sentiments of the most moderate and peace loving men in the Southern States.

* * * *

These extracts exhibit a temper which cannot but be respected, when we consider the cruel humiliation to which the South is now being subjected, the mean and malignant attempts to subject the population to African rule, and the threatened ruin of their country. If under all this there is confidence in the ultimate justice of the Northern masses, we feel sure that it will be abundantly justified by the result.—*National Intelligencer.*

THE IMPEACHMENT.

It is very generally conceded that the evidence in the impeachment trial is too weak to hold water. First we have a mass of testimony endeavoring to prove a conspiracy between the President and General Thomas—testimony to show that certain expressions were made use of by the latter on his own responsibility, for which the President should be held accountable; and this was gravely admitted by the court as matter worthy of consideration and as upholding the case of the prosecution. Two high judicial authorities did not hesitate to say last evening that the Chief Justice was entirely wrong in admitting the evidence which was put on the record in the first part of last week. It would be just as reasonable to hold the President responsible for the threats any of the thousand and one postmasters appointed by him might have made use of against those they were directed to supersede, and thus prove conspiracy on the part of the Executive, and make use of their unconsidered language as evidence against him. The documentary testimony will be met by other documentary testimony which the defence feel confident will pull to pieces the fabric of the prosecution.

So far, there is no case against the President, and a great many Senators feel that such is the fact; but the pressure on the entire Republican element of the Senate will become intense as the trial draws to a close, and, regardless of oath or evidence, it is feared the great disgrace will be perpetrated of removing the head of the nation to accomplish a party purpose. This week and the week after letters will pour in upon those Senators who are considered disposed to waver, and men will come to Washington from all parts of the country to urge their Senators to vote for conviction. Coaxing and bullying will be tried by turns, and no stone left unturned to try and insure a verdict of guilty. It is needless to say there are certain Republicans in the Senate to-day whom it will require extraordinary efforts to overcome and induce to vote against their convictions, and should such men yield, a day of reflection will come and a feeling of remorse follow that will embitter their lives to the last moment they exist —*Wash. Corres.*

THE VOTE upon the new Constitution will be taken the 21st., 22nd, and 23d. of April. Be sure and VOTE AGAINST IT.

CONGRESS—IMPEACHMENT.

WASHINGTON, April 10, P. M.

The Senate immediately proceeded to impeachment.

Judge Curtis concluded at half past two, when Gen. Thomas was called for the defence.

Thomas was stopped by the Prosecution, in describing his interview with the President, when the orders of removal and appointment were handed him. The objection was elaborately argued by Stanbery and Evarts, for the Defence, and Butler and Bingham for the Prosecution.

The Chief Justice submitted the question, in the first instance and the Managers were defeated—43 to 16. The nays were—Cameron, Chandler, Conness, Cragin, Drake, Harlan, Howard, Nye, Ramsey, and Thayer.

Summer broke ranks, for the first time, on this question.

Court adjourned.

FROM WASHINGTON.

WASHINGTON, April 10, P. M.

All at the Cabinet except Thomas.

MICHIGAN DEFEATS THE NEGRO SUFFRAGE CONSTITUTION BY OVER 50,000!!!

Potent movements are afloat, looking to Hancock's nomination.

Fond du Lac, Wisconsin, for the first time in eight years, has elected a Democratic Circuit Judge.

[Judge Curtis' argument, to-day, was powerful. An abstract would give a poor idea of its force.]

The testimony of Gen. Thomas to-day, elicited nothing new, beyond that the President had not instructed Gen. Thomas to use force. When Thomas was arrested, he went first to the President, who said that he was right—the case was now in Court, where he wanted it.

The ruling of the Senate (42 to 10) will let in evidence of General Sherman and the Cabinet officers.

VIRGINIA CONVENTION.

RICHMOND, April 10, P. M.

The article for Homestead and other exemptions passed to-day, 48 to 41. It provides that real and personal property, of the value of two thousand dollars be exempt from forced sale, for past and future debts, except those for purchase price of exempt property, wages of laboring men, taxes and other meritorious claims.

The fight over it was hailed with loud applause.

FROM WILMINGTON.

WILMINGTON, April 10, P. M.

A very large meeting of the Radicals was held at the Theatre, last night.

The audience was almost exclusively composed of negroes.

Speeches by D. L. Russell, O. H. Dockery and S. S. Ashley, whites, and A. H. Galloway, negro.

FROM COLUMBIA—RADICAL BACK-DOWN.

COLUMBIA, April 10, P. M.

Congressman Ashely and Collector Mackey, of Charleston, addressed the citizens, to-day, at a Radical meeting. They were challenged to a discussion, to-night, with prominent Democratic speakers and accepted, but failed to come to time!

The canvass in Guilford was begun in earnest on Saturday last, at McLeansville, by D. F. Caldwell, Esq., and J. T. Morehead. The assemblage was large and influential, and the speeches told for the Conservative cause. The presence of many ladies and the Stonewall String Band added much to the cause for which all white men should act.

At the conclusion of the speaking a meeting was held and J. A. Gilmer, Jr., was requested to represent that part of the county. He accepted and is now stumping for the House of Representatives and the white man's party.—*Greensboro Times.*

WHICH IS BETTER, a system of State government, devised by Gaston, Macon, Daniel, Morehead, and other *North Carolina* patriots, or a system devised by New England adventurers, based upon Yankee notions and prejudices, adapted to New England wants, and adopted by scallawags and negroes?

THEN.

"WHO WILL PLOT FOR THE HEADS OF ABE LINCOLN AND GEN. SCOTT?"—*W. W. Holden, June 5th, 1861.*

HEADQUARTERS SECOND MILITARY DIST., }
Charleston, S. C., March 23, 1868. }

GENERAL ORDERS, }
NO. 45. }

The Constitutional Convention of the State of North Carolina, in conformity with the Act of Congress of March 23, 1867, supplementary to the Act of March 2, 1867, "to provide for the more efficient government of the rebel States," having framed a Constitution and civil government according to the provisions of the aforecited laws; and having by an ordinance adopted on the 17th day of March, 1868, provided that the said Constitution shall be submitted "for ratification to the persons registered under the provisions of this Act [March 23, 1867, Section 4], at an election to be conducted by the officers appointed or to be appointed by the Commanding General as hereinbefore provided, and to be held after the expiration of thirty days after the notice thereof to be given by the said Convention; and having further provided, by the aforesaid ordinance, that at the same time an election shall be held for Senators and Representatives in the General Assembly, and for all State and County officers who are to be elected by the people under this Constitution, and further, that in each Congressional District of the State an election shall be held for a member of the House of Representatives of the United States Congress, It is ordered:

First. That an election be held in the State of North Carolina, commencing on Tuesday, the 21st day of April, and ending on Thursday the 23d day of April, 1868, at which all registered voters of said State may vote "For Constitution" or "Against Constitution," and also on the same ballot for the State and County officers and for members of the United States House of Representatives, as specified in the before cited ordinance.

Second. It shall be the duty of the Boards of Registration in North Carolina, commencing fourteen days prior to the election herein ordered, and giving reasonable public notice of the time and place thereof, to revise for a period of five days, the registration lists; and upon being satisfied that any person not entitled thereto has been registered, to strike the name of such person from the lists, and such person shall not be entitled to vote. The Boards of Registration shall also, during the same period, add to such lists the names of all persons who at that time possess the qualifications required by said Acts, who have not already been registered.

Third. In deciding who are to be stricken from or added to the registration lists, the Boards will be guided by the law of March 2, 1867 and the laws supplementary thereto, and their attention is specially directed to the supplementary Act of July 19, 1867.

Fourth. Any duly registered voter of this State who may have removed from the County in which he was registered, shall be entitled to vote in the County to which he has removed and has resided for the ten days next preceding this election, upon presentation of a certificate of registration from the County in which he was originally registered, or upon his affidavit or other satisfactory evidence that he was so registered, and that he has not voted at this election. It shall be the duty of the Registrars, upon the application of any duly registered voter who has removed or is about to remove from the precinct in which he was originally registered, to furnish him with a certificate that he was so registered, and to note the fact in the registration books of the precinct. In default of the certificate, the affidavit of the voter must set forth the County and precinct in which he was originally registered and the length of time he has resided in the County in which he desires to vote. In doubtful cases, the Registrars or Inspectors of election shall require such additional evidence as may be necessary to satisfy them that the applicant is legally entitled to vote. Blank forms for the certificates and for the affidavits herein required, will be furnished the Registrars and the inspectors of election, and when used will be attached to the ballots cast by such voters, and will be transmitted to District Headquarters with the returns required by law.

Fifth. The said election will be held in each County at such places as may hereafter be designated, under the superintendence of the boards of Registration as provided by law, and in accordance with instructions hereafter to be given to said Boards in conformity with the Acts of Congress and as far as may be with the laws of North Carolina.

Sixth. The polls shall be opened at such voting places at six o'clock in the forenoon, and closed at six o'clock in the afternoon of each day, and shall be kept open during these hours without intermission or adjournment.

Seventh. All Judges and Clerks employed in conducting said election shall, before commencing to hold the same, be sworn to the faithful performance of their duties, and shall also take and subscribe the oath of office prescribed by law for officers of the United States.

Eighth. No member of the Board of Registration, who is a candidate for election to any office to be filled at this election, shall serve as a Judge or Inspector of Election in any precinct which he seeks to represent.

Ninth. The Sheriff and other peace officers of each County are required to be present during the whole time that the polls are kept open, and until the election is completed; and will be made responsible that there shall be no interference with Judges of Election, or other interruption of good order. If there should be more than one polling place in any County, the sheriff of the County is empowered and directed to make such assignments of his deputies, and other peace officers to the other polling places as may in his judgment best subserve the purposes of quiet and order; and he is further required to report these arrangements in advance to the Commander of the Military Post in which his County is situated.

Tenth. Violence, or threats of violence, or of discharge from employment, or other oppressive means to prevent any person from registering or exercising his right of voting, is positively prohibited; and any such attempts will be reported by the Registrars or Judges of Elections, to the Post Commander, and will cause the arrest and trial of the offenders by military authority. The exhibition or carrying of deadly weapons in violation of General Orders No. 10, of 1867, at or in the vicinity of any polling places during the election herein ordered, will be regarded and treated as an additional offence.

Eleventh. All bar rooms, saloons, and other places for the sale of liquors by retail, will be closed from six o'clock of the evening of the 20th of April, until six o'clock of the morning of the 24th of April, 1868, and during this time the sale of all intoxicating liquors at or near any polling place is prohibited. The police officers of cities and towns, and the Sheriffs and other peace officers of Counties, will be held responsible for the strict enforcement of this prohibition, and will promptly arrest and hold for trial all persons who may transgress it.

Twelfth. Military interference with elections, "unless it shall be necessary to repel the armed enemies of the United States, or to keep the peace at the polls," is prohibited by the Act of Congress approved February 25, 1865, and no soldiers will be allowed to appear at any polling place, unless as citizens of the State they are qualified and are registered as voters, and then only for the purpose of voting; but the Commanders of Posts will keep their troops well in hand on the days of election, and will be prepared to act promptly if the civil authorities are unable to preserve the peace.

Thirteenth. The returns required by law to be made to the Commander of the District of the results of this election, will be rendered by the Boards of Registration of the several Registration precincts through the Commanders of the Military Posts in which their precincts are situated, and in accordance with the detailed instructions hereafter to be given.

NEW ARRANGEMENT

FOR THE

SENTINEL.

Published in the City of Raleigh, N. C.,

Daily, Semi Weekly and Weekly.

William E. Pell, } Editors.
Seaton Gales, }

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co-ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

Terms:

Daily Sentinel, for one year,		$9 00
" "	six months,	4 50
" "	three months,	2 00
Semi-Weekly Sentinel, for one year,		4 00

" "	three months,	1 00
Weekly "	for one year,	2 00
" "	six months,	1 00

All subscriptions strictly cash in advance.

As an advertising medium, the SENTINEL is equal to any in the State. Terms moderate.

☞ We ask every Conservative in the State to become our Agent to extend the circulation of the SENTINEL. The events of 1868 will be exciting and important. The WEEKLY SENTINEL should be in the hands of the great body of the people—The terms are now so low that every one will be able to pay for it.
